Attachment A

**MEMORANDUM FOR:** The Chairman, State-Defense Military  
Information Control Committee

**SUBJECT** : Dissemination of National Intelligence  
Estimates [redacted]

25X1

1. The members of the Intelligence Advisory Committee  
(IAC) have reviewed the proposal by the State-Defense Military  
Control Committee (S-DMICC) with respect to broadening the present  
distribution of National Intelligence Estimates [redacted]

25X1

[redacted] as outlined in your letter of 23 April 1957.

2. I am happy to advise that the members of the IAC concur  
in the substance and purpose of S-DMICC's proposal. In concurring,  
the members do not, of course, wish to imply that they endorse any  
particular system of marking or stamping documents. It is assumed  
that S-DMICC [redacted] will devise  
an appropriate formula to meet [redacted] needs, ensure adequate  
US control and obviate the necessity for renegotiating the [redacted]  
Security Agreement.
